The copy filmed here has been reproduced thanks to the generosity of:

Metropolitan Toronto Reference Library
Baldwin Room

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Metropolitan Toronto Reference Library
Baldwin Room

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

THE "ENGLISH COMMON LAW REPORTS,"

AND

NEW ENGLISH EXCHEQUER REPORTS,

(PHILADELPHIA ISSUE.)

Great Reduction in Price for a Short Period.

MESSRS. ADAM, STEVENSON & Co. beg to inform the Legal Profession that they have effected an arrangement with Messrs. T. & J. W. JOHNSON & Co., of Philadelphia, the Publishers of the above series of Reprints, which will permit them to supply, for a short period, the volumes of this issue at a considerable reduction from the current price.

To those desirous of completing their sets of these valuable series of English Reports, and to those forming Libraries, this opportunity is an important one of supplying their want, and particularly as American currency is now rapidly assuming a gold basis, the advantage of an immediate purchase, and while this temporary reduction in the price of the issue continues, will be readily understood. The present price, in American currency, of these volumes—the Exchequer Series and English Common Law Series (Vols. 44 to 116)—is $4. They will now be supplied, provided a number of volumes be taken, at $2 50 per vol. in gold, *net cash*. Single volumes will be sold at $3 *net*. The double volumes of the English Common Law Series—1 to 43 incl., published at $5—will be furnished at $4 each in gold, *also net cash*.

For the convenience of those who may wish to purchase parts of the C. L. Series, the completed issues are herewith arranged into Reporters, with the number of volumes and period covered by each, and may be had, either titled separately, or as parts of the 116 volumes. The Exchequer Series are titled separately, bearing the names of the Reporters only.

ADAM, STEVENSON, & Co., Law Publishers and Booksellers, Toron

The Current Series of English Reports.

THE LAW REPORTS

In all the Courts, published under the authority of the Council of Law Reporting, commencing Michaelmas Term, 1865.

Now in course of publication in London in three series, to wit:

I. THE APPELLATE SERIES.—Comprising the Decisions of the House of Lords and the Privy Council, not including Indian Appeals.

II. THE COMMON LAW SERIES.—Comprising the Decisions of the Queen's Bench, Common Bench, and Exchequer, including Writs of Error, and Appeals to the Exchequer Chamber; also the Decisions of the Court of Probate, Divorce, and Matrimonial Causes; the Admiralty and Ecclesiastical; and the Court of Criminal Appeal.

III. THE EQUITY SERIES.—Comprising the Decisions of the Lord Chancellor and the Court of Appeal, in Chancery, Lunacy, and Bankruptcy, and also those of the Master of Rolls, and the Vice-Chancellors.

THE PUBLIC STATUTES are included; also an issue of Weekly Notes.

The fifth year's issue of the above Reports is now completed, and there are now ready the issues of 1866-67-68-69 and 70, comprising 45 volumes, and Digest to first three years. Price of the set, bound, to date, *net cash*, $175 00; or for any of the year's issues, $37 00, in half calf binding; or unbound, at the subscription rate, $28 00 per year.

SUBSCRIPTION FOR 1871.—SPECIAL NOTICE.

The Subscribers are authorised by the Publishers to the Council of Law Reporting to receive subscriptions for the forthcoming year, *which are now due.*

As the new British Postal Regulations, which come into effect on January 1st, 1871, will not henceforth permit the transmission of the issues of these Reports per mail as serial publications, A. S. & Co. beg to notify subscribers for 1871 that they will receive their parts monthly, *per Express*, through their hands. Though this arrangement will necessitate the importation of the issues by freight from England, and involve an outlay for freight and duty, as well as for Express charges to the destination of subscribers, yet A. S. & Co. have decided to limit the subscription price for 1871 to $28, the price hitherto charged. In refraining from making any advance in the subscription, notwithstanding the loss which will be incurred, the subscribers are actuated by a desire to aid and thus maintain the Bar scheme of Law Reporting, which has been so successfully in operation for the last five years, and they trust to receive a still increasing list of subscribers for 1871. They would ask subscribers to remit the new subscription immediately, so that they may make arrangements for the transmission of the parts in bulk, per freight from England, to take effect with the January issues.

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:
